Fort Cherry
High School
RD #4
McDonald,
Pennsylvania
Volume 20

1979 marks the twentieth year of Fort Cherry as a jointure. Consisting mainly of the towns of McDonald, Midway, and Hickory, the new district was first conceived in 1954 but didn't go into actual operation until 1959 when the new Jr.-Sr. High School was built.

After two years of construction and an expenditure of \$2,500,000, the new building was finally ready for its first graduating class — the class of 1960. And, of course, it was this class — the class of 1960 — which began many of the Fort Cherry traditions. During that year, our athletes became the *Rangers*, our yearbook *Panorama*, our newspaper the *Pinnacle*, our school colors red and grey. During that year our Alma Mater was also composed, and our school seal was designed. Our motto: truth, honor, integrity.

Opposite page: our mascot, the Ranger; Fort Cherry High School surrounded by the old high schools of Midway, McDonald, and Hickory. This page: scenes from the major communities in the new school district — Midway, Hickory, and McDonald.

The small high school where everyone knew everyone and where a graduating class was no more than thirty or forty became now a thing of the past. Some students and teachers, we are sure, looked back with nostalgia to their former schools. But the new era had arrived, and the former sports rivals quickly began to adjust to the bigger, better facility.

As a larger district, Fort Cherry could now offer much more to its students. More extensive courses in Art, Music, Home Economics, Industrial Arts, and Physical Education were immediately offered. The sports program was expanded. The former faculties of twenty or so had now become a faculty of fifty. In 1962, the school was accredited by the Middle States Association of Secondary Schools and Colleges.

Bottom Right — Rangers create high enthusiasm among the Sr. high student body at a pep assembly. This page: Top — Cross Country members await the starting signal. Above — Sr. high students use the library to do research. Left — Sue Bain takes advantage of the resources available in the Home Ec Suite.

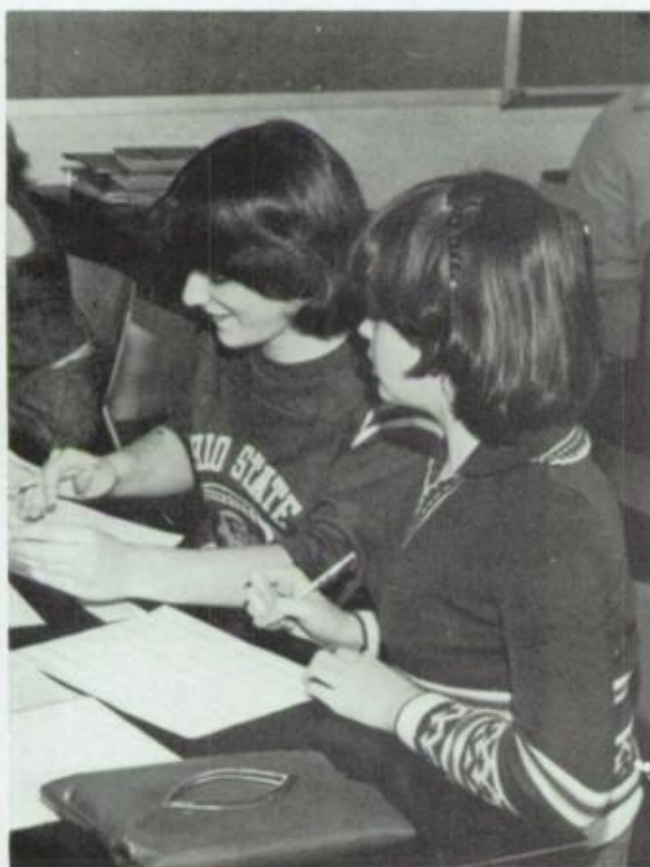

Almost immediately an esprit de corps developed among the students, and Fort Cherry soon became the power house of sports that it still is today. Our football record in the Black Hills Conference is one of the best there is. In 1961 our basketball team became state champs. Our wrestlers go to state finals.

This page: Top — F.C. displays trophy case with pride. Middle Left — Action on the Ranger football field. Middle Right — 1961 basketball state champs. Bottom — An F.C. crowd cheers on our wrestlers. Opposite page: Top Left — Paula Gregg and Lori Freshwater examine rocks in Earth Science. Top Right — Students take a small break during class. Bottom Left — Underclassmen strive for good grades. Bottom Right — Mr. Tokar guides Judy Falsetti in the right direction.

And although the financial resources of the district are rather limited, we can also be proud of the academic achievements of the new school. Many of our students score very high on national achievement tests; they are accepted to all universities and colleges; many become lawyers, doctors, and engineers.

Some of the students of the first graduating class are now the parents of some of the students in this year's graduating class. Many of the teachers who were here in 1960 are still here now and still going strong. And a quick tour of the building reveals that the physical plant itself is still holding up rather well. There has been some vandalism here, to be sure, but it definitely has not been the big problem that it is in other districts. The original furniture, we are proud to report, is still in use.

Bottom — Seniors are awarded with a football, a mug, and candy after selling magazines.

Finally, the class of 1979, our class, is proud to have had this opportunity to salute Fort Cherry on its twentieth anniversary. We hope that we have told the story of our own school year well while at the same time we glanced back to the past. We now take this opportunity to say thanks to all of the many people — students, parents, teachers, administrators, school board members, etc. — who ever did anything positive to enhance Fort Cherry — our beloved Alma Mater.

STUDENT LIFE

Comparing the lives of our parents twenty years ago with our lives in 1979, we have concluded that the differences are only superficial. The clothes we wear may be different (and so are our hair styles, the cars we drive, and the way we dance), but basically not much more is different.

When summer is over, as our parents did then, we say good-bye to swimming, tennis, or waterskiing, and begin to think seriously about the studying that the opening of school implies. But as it was true then, school is not all work. In fact, our lives become even more interesting and fun-filled as we become involved with school related activities.

In the Fall . . .

Just as our parents once did, in the fall, we, too, play the age old dating game mainly by participating in school related events. We go to football games, to victory parties, or to the homecoming event. As members of the Rod and Gun Club we may go hunting, or we may go to Kennywood as members of the band. We also go to harvest dances, hay rides, and fall picnics.

In winter, school related activities continue to be part of our daily lives. We go to basketball games and to wrestling matches. As members of the Spanish Club we attend roller skating parties. We ice skate, and on Saturday mornings there is intramural bowling. In 1979, perhaps for the first time at Fort Cherry, a bus load of us even made it to Seven Springs for a day of skiing.

In the Spring . . .

In the spring, those of us who hunted in the fall and winter may now start thinking about fishing. Baseball and softball games start. There are plays and spring concerts to attend. And, of course, just as our parents once did, we, too, now begin to make plans for the biggest school event of them all — the prom.

So, as you can see, dress fashions may have changed, disco dancing may be the present craze, *Superman* and *Star Wars* the favorite movies, and Le Freak the favorite song, but our lives are still basically the same. Just as our parents once did, we play the old dating game usually through school related activities; and as they did then, we, too, end up experiencing the same joy and pain that all growing people sooner or later will experience.

ACADEMICS

Grammar, Composition, and Literature Emphasized in English Classes

This page: Top Left — Miss King explains what a subordinate clause is to Dianne Williamson. Top Right — Some of the English books used in Revolving English. Bottom — Connie Carter and Judy Hatfield listen as Miss Perkins explains the structural elements of a short story. Opposite page: Seventh graders participating in English class.

Students in English classes at Fort Cherry are provided various opportunities. In writing, emphasis has been placed on practical assignments which have prepared students for the kind of writing they will encounter in college, work, and personal affairs. They have been asked to write critical papers, personal reports as well as their own stories and poems. Students have 0001790,7 also spent a good deal of their time studying their language. They have been asked to learn a terminology that has enabled them to analyze their writing and speech for accuracy and correctness. As well, they have been encouraged to examine the structure and pattern of their language with a view toward understanding just how their language works. In this area of grammar they have been exposed to both the modern and traditional views. Students have studied world authors, living and dead, and especially the important authors and works of England and America. Emphasis has been on American Literature and the contribution of ethnic peoples. Students have been asked to assume the role of the critic and, as such, consider the technical aspects of the fiction, drama, or poem as well as determining how well the author has accomplished his theme. They have been encouraged, equally, to consider the selections in terms of their personal experience and to understand that literature is really a reflection of our human experience.

Since 1967, senior high students have had the opportunity to gain more concentrated and intense experience in literature, writing, and research in Revolving English in which one section each of Sophomores, Juniors, and Seniors "revolve" among three English teachers in six week segments.

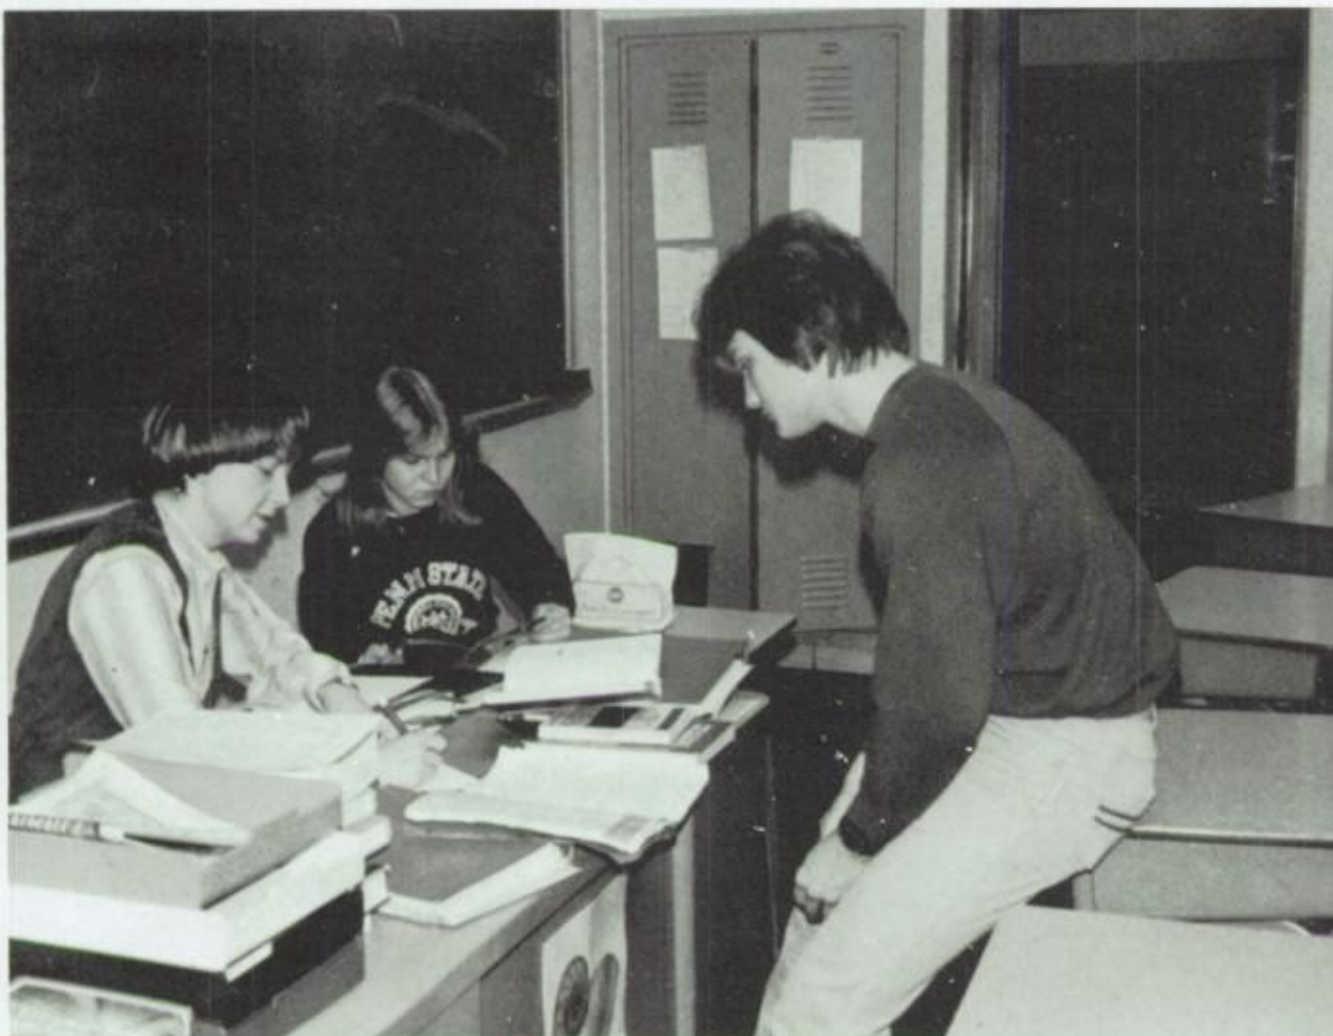

The *Literary Journal*, a direct extension of the English department, has provided an outlet for English students. Indirectly, the Pinnacle and the yearbook have also provided students with opportunities to practice and sharpen the writing skills they have learned in the regular English classes at Fort Cherry.

High Standards of Achievement Encouraged in Math Classes

This page: Top — Mr. Zeno helps Bill Klinsky, Amy Kelly, and Dean Schlebusch with their homework. Bottom — Mrs. McCalmont's fourth period trigonometry class concentrates on notes being given.

The chief aims of the mathematics department are to provide terminal training that is useful for all students and to provide advanced training for those who can and desire to gain from further study in higher institutions.

The programs of study for grades seven and eight contain the fundamental ideas of arithmetic, algebra, intuitive and numerical geometry. This gives the student a broad view of the field of elementary mathematics, in order to explore his interests and test his abilities and gives him the mathematical information and skills useful in his pursuits.

In grades nine through twelve, courses are provided for the beginning of content specialization and the pursuance of a student's aptitudes and special interests. The advanced courses have been designed to develop basic relationships and properties and to encourage the setting of high standards of achievement.

The Science Department has undergone many changes at Fort Cherry Junior and Senior High School. At the beginning of the jointure, only basic courses were taught starting with General Science in 7th grade and ending with Physics in the 12th grade. At Fort Cherry the basic courses are still taught; 7th grade — General Science; 8th grade — General Science; 9th grade — Earth Science; 10th grade — Biology; 11th grade — Chemistry; and 12th grade — Physics. Over the years, with new technology and advancements, it became necessary to update and extend the department with new and advanced courses. Students who have a high aptitude in science, chosen by testing and grades, are tracked beginning in the 8th grade. These students have Earth Science in 8th; Biology in 9th; Chemistry in 10th; and Physics in 11th. In addition to these courses, when a student is a Junior or a Senior, he can choose from the following electives: Advanced Biology, Advanced Physics, Advanced Chemistry, Nuclear Science, Advanced Science. With the upgrading of the curriculum and additional subjects, the student who is science orientated can receive an excellent background for further study.

Social Studies Students Learn Practical Skills

The Social Studies Department has over the past few years moved toward a more practical and traditional curriculum to provide more useful tools for the student whose education ends with high school.

Such subjects as current local, state, and federal governments, actual voting procedures, making out income tax forms, social security benefits, practical economic information, such as borrowing money and buying a house are examples. We added this to the basic history that is necessary to understand the world in the past and today. It is our hope that this shift in emphasis will better serve the needs of the student and this community.

Career Opportunities Available to Foreign Language Students

Studying a foreign language at Fort Cherry has come to mean more than memorizing dialogues and verb tenses. Students now have an opportunity to develop comprehension and conversation skills as well as reading and writing skills. The texts and materials used in the French and Spanish classes are excellent and provide for much variety in the classroom. Although there must naturally be a strong concentration on learning the basics, there is also sufficient time for the students to read foreign magazines, listen to popular music, and play games such as Spanish monopoly and French bingo. Highlights of the study of French or Spanish can even mean a visit to a foreign speaking country where students will have an opportunity to become familiar with some interesting aspects of exciting and mysterious countries. Fort Cherry students have already visited France, parts of French-speaking Canada, Spain, and Africa.

Although most students pursue a two-year course of study, three and four-year courses are also offered. It is encouraged that the students take advantage of the opportunity to master a second language and that they become aware of some of the exciting careers in government and travel that are available to students who are ambitious enough to become bilingual.

Business Students Exposed to Excellent Training

The eighth grader at Fort Cherry, who thinks he or she is interested in the business field, may elect to take in ninth grade general business, an introductory business course. This is followed in tenth grade by the prescribed business mathematics and typing 1. In eleventh grade, this same student will be busy with three full-credit business subjects: bookkeeping 1, shorthand 1, and typing 2. Consumer economics and business law are offered as electives in either eleventh or twelfth grade. The preparation of the Senior business student includes: business English, bookkeeping 2, office practice and machines, and shorthand 2.

The business student, of course, may look forward to immediate employment in the bank, the small business, the large corporation, the hospital, etc. Other graduates look forward to further schooling before employment.

Today, the Fort Cherry High School business student is exposed to excellent training in communication (both oral and written); has shorthand laboratory facilities available; has projects on electronic calculators; develops typing skills on electric typewriters; and works with electric duplicating equipment, including the Xerox machine. A valuable office simulation program is part of the office practice course. Also presented at the very end of the Senior year is preparation for getting the job — the application team (personal data sheet, application form, and televised mock interview).

Vocational Students Learn by Doing

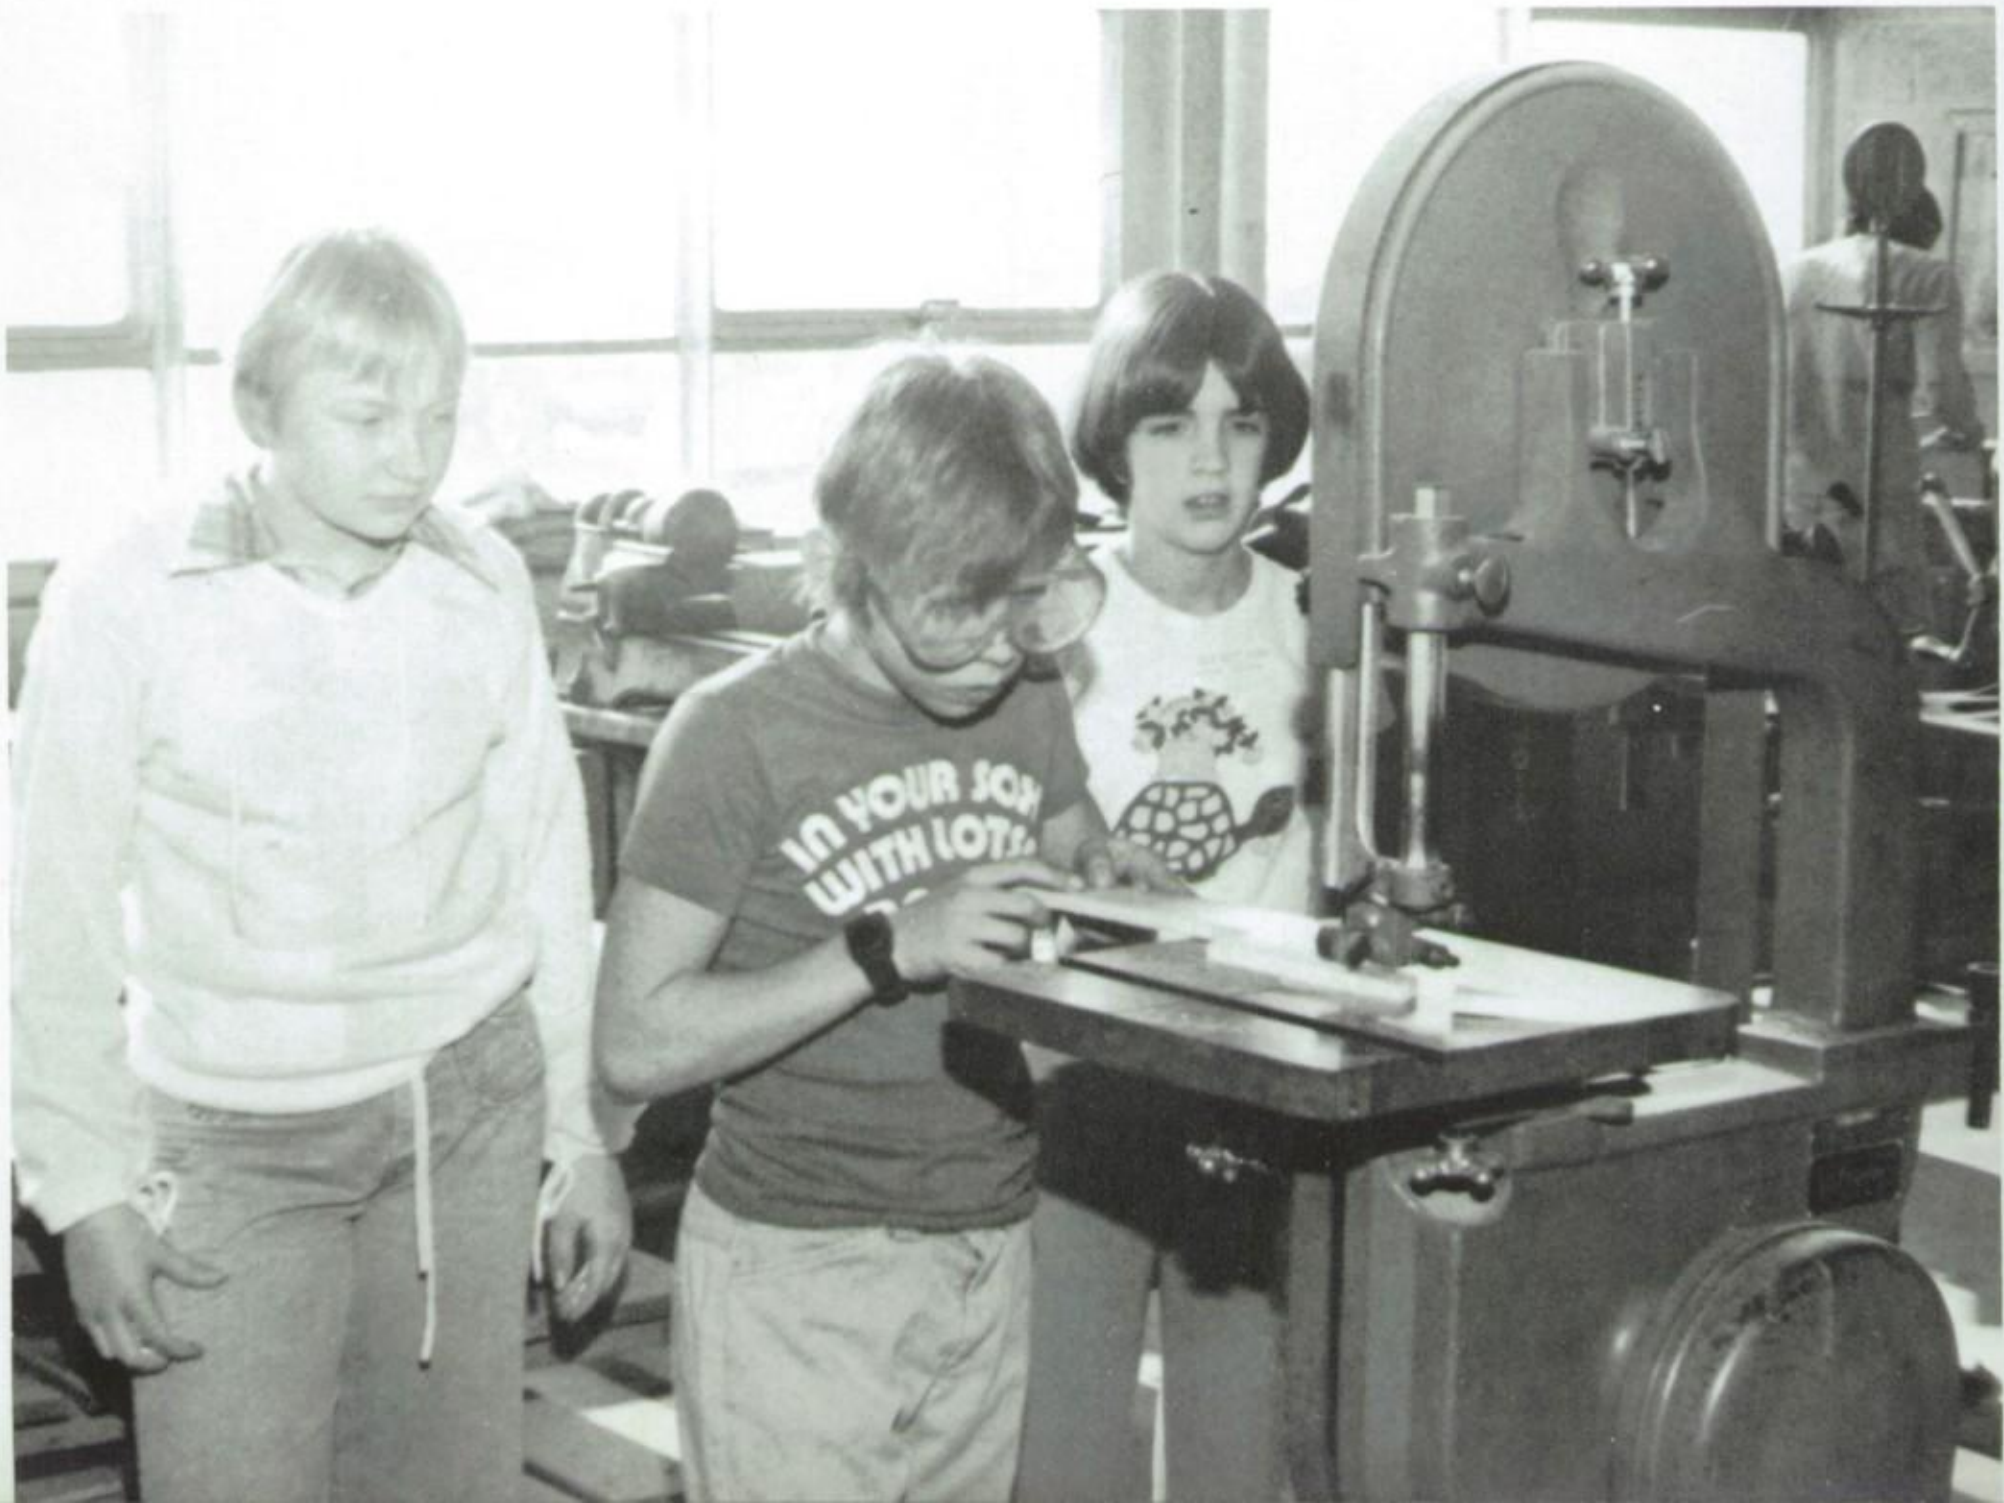

During the past twenty years the vocational agriculture, home economics, and industrial arts departments have all experienced one major change. Each department has become co-educational.

A major project of the home economics department each year is playschool which is planned for pre-school children.

The vocational agriculture department offers those students interested in agriculture the opportunity to "learn by doing". As part of the vocational agriculture curriculum, the FFA offers students training in leadership skill development.

The industrial arts department offers students training in the development of woodworking, metal working, and mechanical drawing skills.

In recent years, many students have attended the vo-tech school where they have the opportunity to learn skills in preparation for the job market.

Fine Arts Department Keeps Pace With Changing Times

The Fine Arts Departments of Fort Cherry, during the history of the school, has kept up with the times in many ways. The Music Department has kept pace with the changing times and styles in music, presenting the popular music of the day, but not neglecting the values of the proven "historical" significant music of the past. Both the instrumental and vocal departments have tried to keep pace with the everchanging musical trends as well as supply a "cultural" climate of classical music. The Drama presented here at Fort Cherry has also kept up with the national trend — many "popular" TV plays as well as "classics" have been provided over the years. The Art Department as well has been alive in the newer areas of art. Murals and wall decor have added to the schools' surroundings, as well as special "art fairs" and sales of "art" objects have been available to students and the public. Fort Cherry, over the years, has tried to keep the Fine Arts alive as a community offering as well as a student involvement.

ACTIVITIES

Lisa Ruschell Elected Homecoming Queen

The 1978-79 Homecoming was held on October 6, 1978 prior to the Fort Cherry-Peters Township football game. The Homecoming Court consisted of six Senior girls and their escorts, all of whom were chosen by the Senior High Student Body. The members of the court were Lisa Ruschell, Christi Phillips, Susan Walker, Carolyn Geisler, Dora Stanish, and Cheryl Semenick. Their escorts were Brian Brown, James Carlisle, Chris Hoag, Mike Lucarini, Mike Irwin, and Randy Parkison.

The court entered the field in luxurious cars and were presented individually to the viewing audience. After a short wait in the cold, brisk air, Lisa Ruschell was crowned the Homecoming Queen of 1979. At this time the Senior High Student Council presented her with a bouquet of roses and a gold charm to commemorate the occasion. The other members of the court received a bouquet of red and white carnations as well as charms to honor their membership in the court.

The Student Council later honored Lisa Ruschell and her court at the Harvest Dance held on November 25, 1978.

Over the years, the Fort Cherry choruses have provided the opportunity for a variety of experiences to the musically interested student. These experiences include concerts in the high school auditorium and weekend chorus tours such as the Washington, D.C. tour of 1977 and the Nashville tour planned for this year. In addition, there have been field trips to festivals, concerts, musical shows, and movies. The chorus has also produced three chorus albums, the latest being "Singin' to the World". Through the years the Range-Aires and Rangettes have also sent representatives to County Choruses, District Choruses, Regional Choruses, and this year the Honors Chorus.

To afford all these expenses, the choruses have had to depend on constant fund raising campaigns. This year's campaigns consisted of the selling of jewelry, Drix cleaning products, hoagies, and other assorted items. The active assistance of the Fort Cherry Chorus Parents also provides the Chorus with fund raising activities and ideas.

The choruses also try to extend the Fort Cherry spirit beyond our school by sponsoring the Children's Hospital Campaign with original carol kits. The choruses are proud of their house capacity and audiences which have become a part of Fort Cherry tradition.

This year the Jr. Class presented the play, *The Odd Couple* by Neil Simon. The presentation was held November 19, 1978, starring Kevin Scott as Oscar and Henry Cole as Felix. The play was directed by Mr. Filosi, the sponsor, and Rose McLaughlin was the student director.

Although the cast consisted of only eight characters, other members of the Jr. Class participated by joining behind-the-scene committees such as make-up, stage crew, and costumes.

Student Councils Sponsor Winter Dances

The Sr. and Jr. High Student Councils were very busy this year planning and sponsoring various student activities. The two dances that they sponsored in the middle of the long and dreary winter of '79 were especially appreciated by everyone who attended. The Sr. High Student Council Dance, "Winter Nights", was held in January. It featured the live band "Endless Night". The council members devoted a lot of time and hard work organizing the dance, and with the support of the student body it was a great success.

The Jr. High Dance, "Winter Wonderland", was also held in January. Entertainment was provided by John Gallagher and Scott Meyers from WJPA-Radio, Washington. The Jr. High Council also worked very hard in preparing for a successful dance.

FFA Receives Second National Chapter Award

The fifty members of the vocational agriculture department at Fort Cherry work throughout the year to achieve their goals. The efficiency and hard work of these members did produce one specific and exciting accomplishment this past year. The chapter received our second National Chapter Award at the national FFA convention held in Kansas City each year. Our chapter received a "Silver Emblem" Award and ranked fifth in the state. The award is presented by the National FFA Foundation to chapters for conducting programs of activities that provide educational experiences for the entire membership.

Throughout the year the Future Farmers of America participate in many activities which help to develop their abilities and skills in leadership, citizenship, and cooperation. Some of these activities include leadership training, parliamentary procedure, public speaking, and creed contest.

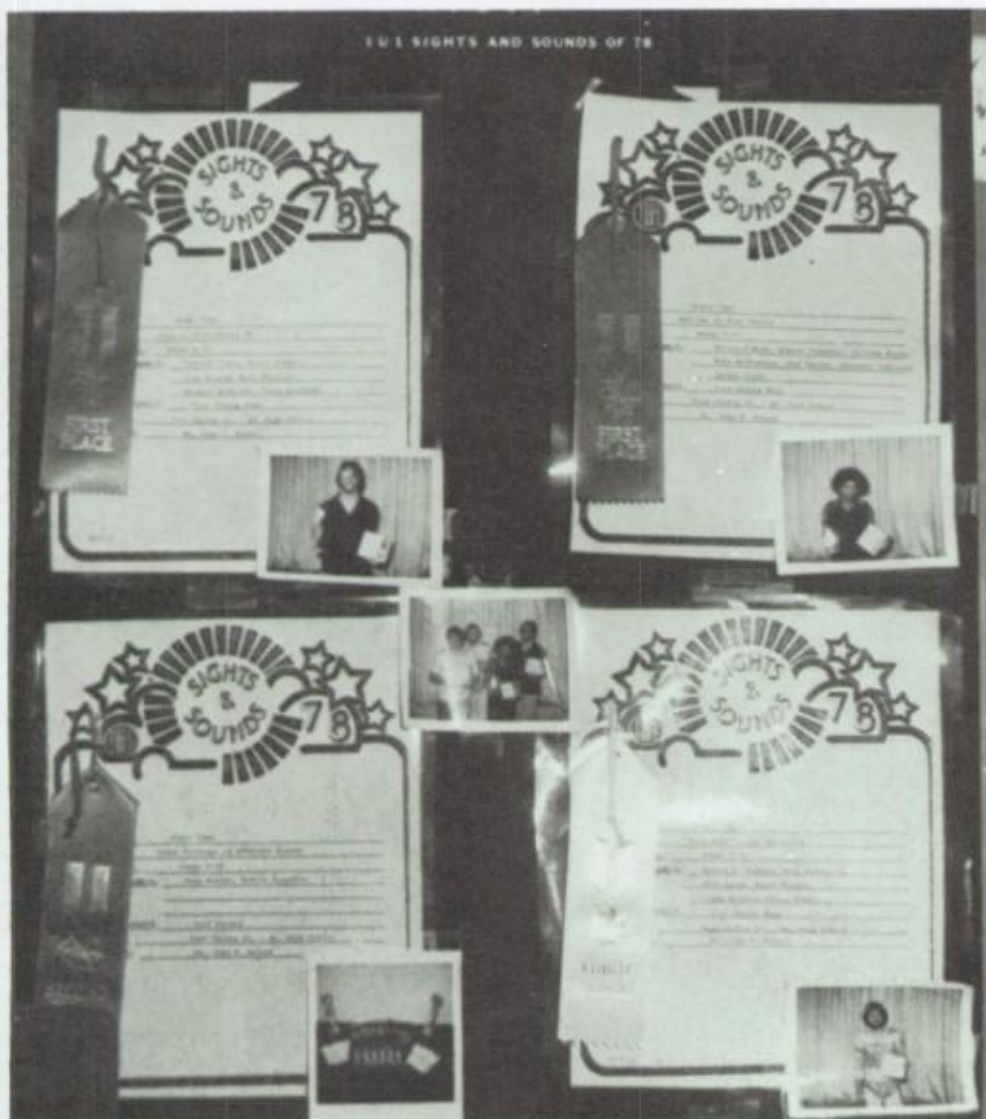

Some other main events which occur during our busy year in vocational agriculture are dairy judging, livestock judging, land judging, salesmanship, and agronomy contests. One other main event is the celebration of National FFA Week each year during the last week of February.

All of the FFA activities are very educational for everyone who participates and become active members. The members who do their best are awarded pins, plaques, and trophies at our annual banquet. The FFA is an important part of our life today, especially for those who are planning a career in agriculture. We truly believe in our FFA motto which is:

Learn to do
Doing to learn
Earning to live
Living to serve

Video Class Wins All Honors

This is the fourth year for the TV Production Class. It is open to all Senior high students who are willing to put forth the time and effort necessary.

Last year, for the first time, the TV Production Class entered competition with programs they produced. The class entered four programs in the Intermediate Unit I "Sights and Sounds of '78" Media Fair. They came off with all the honors. Two programs were awarded first prizes, one received the second place award, and one got the third place prize.

This year we are again entered and hope to produce several winners.

Successful Prom Held Outside of School

The 1977-78 Jr.-Sr. Prom, "Silver Dreams", was the first prom ever to be held outside of the high school. The Junior and Senior classes decided by a majority vote that both the prom and post-prom would be held at the Cherry Hills Country Club. Although the decorations were not nearly as extravagant and costly as they usually are when the gymnasium is decorated, they, along with the pleasant atmosphere of the Country Club, displayed the theme of the prom beautifully.

The evening began with entertainment provided by the live band "Endless Night". As the evening continued on into the post-prom, the students enjoyed a buffet style meal which was followed by a silent movie and punch and cookies provided by the post-prom parents. The students then spent the remainder of their enjoyable evening dancing to the music of the second band, "Silver Sky."

On January 31, 1979 Ricky Wirtz of WIIC Television visited Fort Cherry to film school activities for her Junior High Quiz Program. The team this year consisted of Kim Bozik, Eric Davidson, Warren Schwab, John Little, Chris Wilson, Tim Taylor, Colleen McCaffrey, and Andrea Eger. They competed against Prospect Middle School and lost in the first round. The team's sponsors were Mrs. Rawlins and Mr. Lauff.

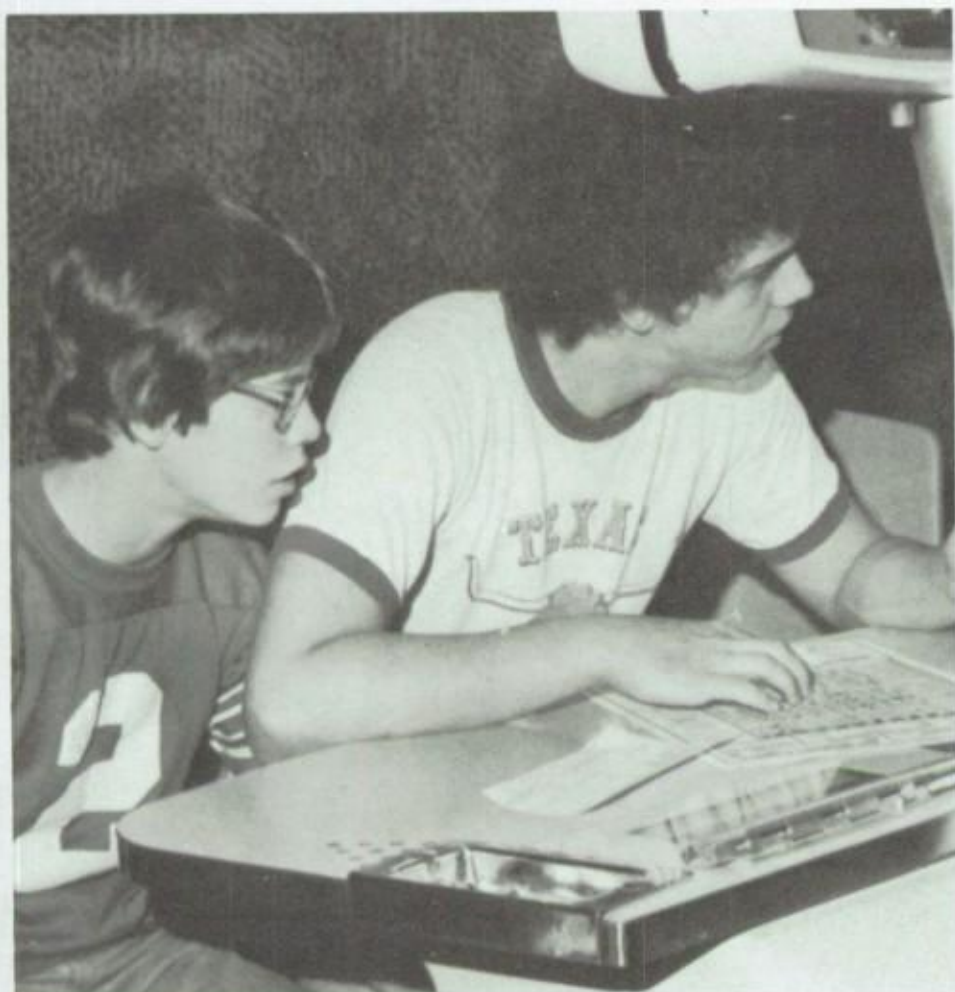

The list of intramural sports keeps growing at Fort Cherry with each passing year. To the already long list that included such sports as co-ed volleyball, basketball, gymnastics, ping-pong, and shuffleboard, this year bowling has also been added.

Intramurals are played during the activity periods with Junior high participating on Wednesdays and the Senior high on Fridays. Bowling, however, takes place at the Cherry Hills Country Club on Saturday mornings.

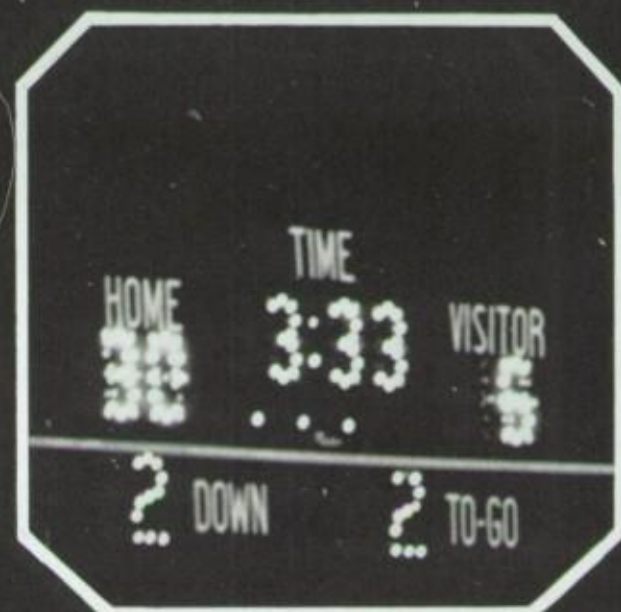

The intramural volleyball championship this year went to Sr. high homeroom 261 and Jr. high homeroom 155. The class of 1979, our class, has received the volleyball championship award every year that they have participated in Sr. high intramurals.

SPORTS

Fort Cherry finished another successful football season with a six win and four loss record. The 1978 team had to be almost completely rebuilt with only three offensive and two defensive regulars back from the 1977 squad. Numerous injuries also handicapped the team throughout the year. Highlights of the year were the 7-6 victory over favored Burgettstown, and a 27-6 win over neighboring West Allegheny.

Mark Sember, Howard Bellaire, Kurt Bedillion, and Damon Powell were picked for the Black Hills Conference team. Damon Powell led the team in tackles followed closely by Jeff Toulouse, Ken Openbrier, Chester Hoffman, and Mark Sember. Howard Bellaire led the team in scoring followed by Kurt Bedillion and Kevin Scott. Mark Sember set a new school record for touchdown passes completed in a single season.

The excitement of the '78 season will bring back fond memories in years to come. Congratulations to the team and coaches for again making football the pride of Fort Cherry.

Once again the cross country team put forth a lot of time and effort as they finished the year with a fine winning record of twelve wins and two losses. The team captured second place finishes in the Washington County Coaches meet, Black Hills Conference, and the Frazier Invitational meet. Bob Lucarini, Chris Hoag, Scott Cook, and Regis Curtis all finished in the top fifteen at the Frazier meet enabling Fort Cherry to place second in over all competition. They also took fifth place in the WPIAL qualifiers and tenth place in the WPIAL finals. In all five of the meets mentioned, Fort Cherry finished higher than they ever have before. Under the direction of Coach Jesse King the team has accomplished 44 wins and three consecutive winning seasons. During the year Bob Lucarini also set a school record at Fort Cherry running the course in 16:41. We wish the team continued success in the years to come.

The varsity wrestling team finished the year with a record of eight wins, six losses, and one tie. The team captured third place in both the Black Hills Tournament and their section.

Individual winners at the Black Hills Tournament, held at Carlynton High School, were Ron Slaven, Rick Moore, Jim Brezinski, Scott Cook, and Greg Bowman, all runners-up, and Mark Sember, champion. Ron Slaven also placed second in the California State Tournament while Mark Sember placed third.

This year's varsity team consisted of four Seniors, Scott Cook, Ken Allison, Dennis White, and Mark Sember, three Juniors, Jim Markovitz, Rick Moore, and Timmy Garry, four Sophomores, George Bordo, Bill Litman, Jim Brezinski, and Greg Bowman, and one Freshman, Ron Slaven.

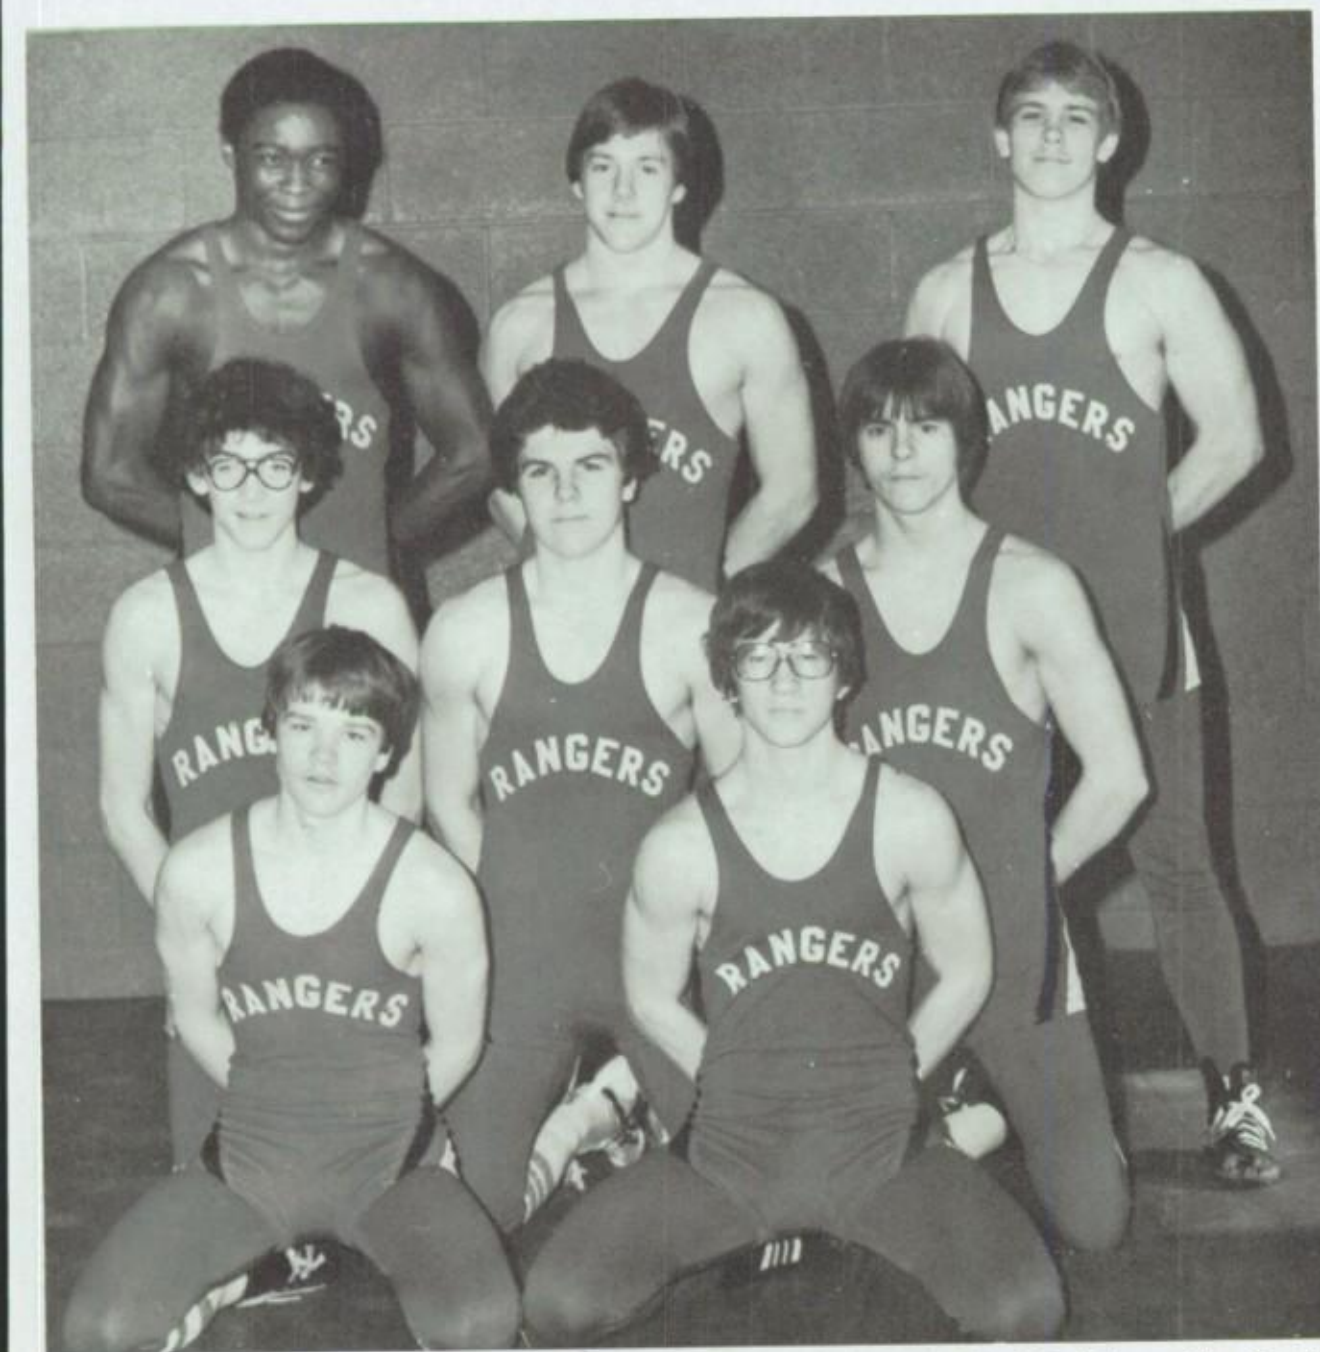

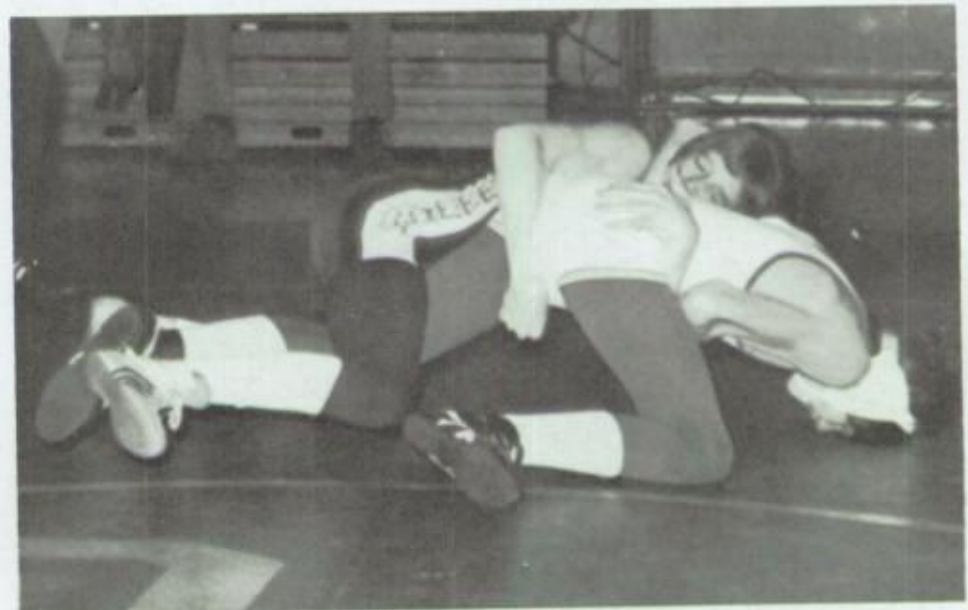

Section tournaments, held at Burgettstown High School, produced one champion, Mark Sember, and two runners-up, Scott Cook and Jim Brezinski.

Mark Sember advanced into the state finals, held at Hershey, Pa. on March 15-17, and captured a fourth place position. Our congratulations to Mark for representing Fort Cherry in such a splendid manner.

The varsity boys' basketball team ended their season with a seven win and seventeen loss record. This year's team was under the instruction of Head Coach Mr. Cunning and Mr. Grinage, the new Assistant Coach.

The team, containing four Seniors, Brian Brown, Chris Hoag, Mike Irwin, and Dave Weber, won first place in the Christmas tournaments held at Fort Cherry, where Chris Hoag was named as the most valuable player.

During the season Gary D'Angelo broke two school records by blocking eight shots in a single game and by blocking sixty two shots during the course of the season.

The Junior high wrestling team exerted strong efforts and team work this year under the direction of their new coach, Mr. Carl Zeno, to bring forth a winning record of five wins and two losses. Through the seven scheduled matches came numerous winning records from team members: Eric Fasnacht (7-0), Joe Dolfi (6-0), Mark Baldigowski, Jim Ringer, and Don Tokar (5-2), Troy Coufman and Danny Barr (4-2), Scott Neal (4-2-1), Doug Williams (4-3) and Bill Klinsky and John Haught (3-3-1).

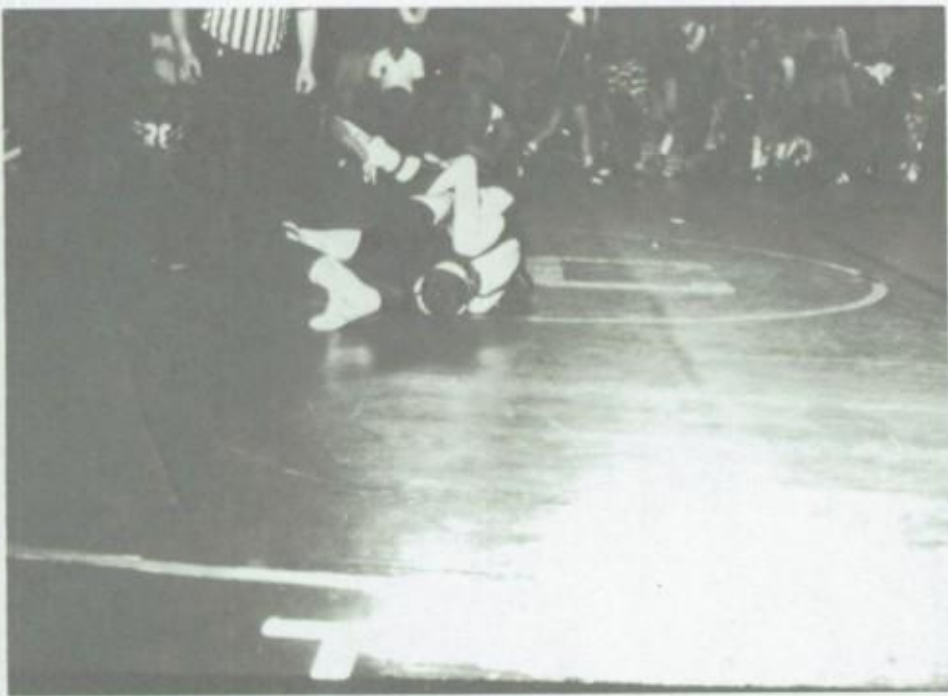

The sectional tournament, held at Fort Cherry on February 9 and 10, produced two champions, Eric Fasnacht and Joe Dolfi, and one runner up, Dan Barr. The South Fayette Tournament proclaimed three champions, Don Tokar, Joe Dolfi, and Eric Fasnacht, and five runners up, Mark Baldigowski, Troy Coufman, Jim Ringer, Dan Barr, and John Haught.

With most of these records and their proud owners advancing into the Senior high next year, it looks like Fort Cherry will be maintaining its high standard of wrestling that it has presented to its many fans in the past years.

The girls' volleyball team ended their season with a nine win five loss record. This was possible because of the fine job done by Miss Keller, the new coach, and the effort put forth by the team. For the first time in four years, the girls beat Wash High, their toughest opponent, in one game. This was due in part to fine serves by Linda Washington, fine spikes by Janet Marquis, and aggressive playing by all members of the team. With most of the team returning next year, the girls should have an outstanding season.

The way in which they accepted their fate seemed to remind everyone of the saying "It's not whether you win or lose, but how you play the game." Even in defeat there is the possibility for personal triumph and for the development of pride and friendship.

Young Tennis Team Shows Improvement

Diane Dumaret

Lisa McGivern

The girls' tennis team is a young one, but they have shown much improvement during their season. Each girl put forth a lot of effort and determination — which helped in improving their record. They finished their season with a record of seven wins and seven losses. Two of the girls, Sandi Slaven and Denise Garcia, were runners up for sectional doubles.

The junior high cheerleaders did a find job this year under the direction of their new sponsor, Miss Asbury. The squad, composed of twelve girls in eighth and ninth grade, added support and enthusiasm to all of the junior high pep assemblies and sporting events. Various activities were also held to raise money, including "Tag Day," selling candles, and, of course, selling red and gray pompoms to add some color and spirit to the assemblies.

Over the past several years one of the most successful teams at Fort Cherry has been the golf team. This year, they continued their winning ways by compiling a fine eight and two record and capturing the Black Hills Conference Golf Tournament title with the team of Allen Danjou, Bill Hainaut, and Walt Kosiak. Coach James Yanosik can be very proud of his team as all of us are here at the Fort. We are especially proud of the fact that this year Allen Danjou became the first golfer in the history of Fort Cherry to qualify for the state tournament in Hershey.

The junior high girls' basketball finished their season with a one win and nine loss record. Miss Smith, their coach, believes that the season was a success, even if this is not registered in the scores. "Their success," she said "is not measured in their win loss record, but is measured on improvement. The mere fact that they lost all their games except the last one proves that they improved tremendously during the season."

The 1978-79 Sr. High Cheerleading Squad consisting of one Sophomore, six Juniors, and four Seniors and a Jr. Mascot have again this year tried to create and maintain great enthusiasm and pride in all Fort Cherry sport teams. Starting June 21st until the end of August the cheerleaders practiced from 9-12 each day. From July 24 through July 27 the seven remaining cheerleaders from the 77-78 squad attended a National Cheerleaders Association Camp at Weslyn College, in Buchanan, West Virginia. There they earned three Superior and one Excellent Ribbon. On the final day of competition the F.C. cheerleaders were selected as one of the three top squads to compete for the Award of Excellence. Later in the year our cheerleaders will once again compete in the Washington County Cheerleading Competition which was last won by an F.C. squad in 1977. Good Luck Girls!

Over the past twenty years the English Department has sponsored several student literary publications. The early years were represented by several annual issues called *Phonemes*. A latter issue was called *Whisperings*. Since 1970, the official creative writing publication has been called *The Literary Journal*. Printed semi-annually, the *Literary Journal*, like its predecessors, publishes short stories, essays, poems, songs, and sketches created by Fort Cherry students and graduates. A special edition of the *Literary Journal* — *The Best of the Literary Journal* was published in 1977 and featured the outstanding manuscripts from the first five years of the *Literary Journal*.

It is our hope that the students of Fort Cherry will continue to support and contribute to the *Literary Journal*.

The Art Club, sponsored by Mrs. Petousis, consists of fifteen outstanding art students who must acquire an A average in Art. This year the club sponsored its third annual art show in the office lobby where students sold their art projects. The club has also worked on several paintings about Fort Cherry sports. These paintings eventually will be displayed permanently in our gymnasium.

Y.E.A. Students Explore Careers in Education

The Youth Education Association (YEA) is an organization to help students explore careers in teaching. It is affiliated with the PSEA (Pennsylvania State Education Association) and the NEA (National Education Association).

YEA provides many services for the school and tries to promote better student-teacher relations.

This year, the organization was divided into many smaller committees, offering leadership opportunities for the students while promoting group activities. The club assisted with Open House by offering a babysitting service for the visiting parents. They also sponsored a Teacher Appreciation Day and the annual Student Teacher Day. During the Christmas holiday, the YEA went Christmas caroling at the Washington County Health Center and sent Christmas cards to the retired teachers of Fort Cherry.

National Honor Society

Honors Scholastic Achievers

The National Honor Society is an organization which honors students with high scholastic achievements. The primary concerns of this organization are to create an enthusiasm for scholarship, to stimulate a desire to render service, to promote worthy leadership, and to encourage the development of character in all high school students. To be a member of the Fort Cherry High School National Honor Society, a student must attain a B average or better and be a member of the Senior Class. His candidacy must also be approved by the principal and the faculty.

In 1979, a banquet was held in honor of the Society members, and each individual received an emblem of recognition.

Journalism Classes Publish Pinnacle

The Pinnacle and Video, which are also classes, are two organizations dealing in the field of communication.

The Pinnacle, our newspaper, is open as an elective course to all senior high students. As part of the class work, they publish ten to twelve issues each year in addition to their Christmas gram and Valentine's Day gram papers. They also produce original television and radio shows.

Video, which is open to students either as a class or as a club, deals with the production of TV programs and the taping of various events in the school. The students work directly with the equipment and contribute a lot of their leisure time to this activity. This year as they did last year, they also plan to produce four or five shows which will be sent to California State College as entries for a contest.

The Fort Cherry Sr. High Drama Club is one of the largest clubs at the high school. Its membership this year consisted of well over one hundred students. The club assists those members interested in pursuing a career in the field of drama by teaching them the fundamentals of acting. Most of the students, however, join the organization for the fun of it. This year the Drama Club presented the play MASH with the cast of approximately thirty students. Mr. Filosi, the club sponsor, also held his second annual "Oscar Night" when special awards were given to the outstanding actors and actresses of the school year. These awards were available to the members of the Jr. and Sr. class plays as well.

The International Thespian Society was reactivated in 1977 under the supervision of Mr. Filosi. The Society honors approximately 200,000 high school students throughout the world who achieved high standards and excellence in the field of drama. Students are recognized not only for their ability as actors but also for their work on committees behind the scenes. The members of the International Thespian Society received certificates of recognition on "Oscar Night."

Forty-Two Apply for Panorama; Yearbook Office Built in R. 256

Editors — L. Fulmer, N. Lauff, B. Eger.

In 1979, forty-two seniors applied for the yearbook staff by writing a letter of application to the sponsor, Mr. Lusi. This is a big increase from previous years, and Mr. Lusi is rather pleased with this trend. Although only twelve to fifteen students are usually involved with the actual production of the book, the remaining students make their contribution by serving on the various committees. Their help in selling ads and subscriptions, for example, is extremely important. Thanks to them, in 1979, we sold 766 books and brought in approximately \$2000 with the sale of ad space. This year, the sponsor was also glad to see three boys apply. He hopes that in the future more boys will want to participate in this worthwhile activity.

Another step in the right direction was also taken in 1979 by partitioning space in Room 256 for the exclusive use of the yearbook staff. Not only has this helped the staff in keeping all of their papers and pictures in a relatively safe place, but it has also kept the staff from interfering with the regular classroom work in Room 256.

Finally, we are happy to report that once again the staff was able to produce the yearbook in a spirit of cooperation and that we hardly ever missed a deadline. If the Columbia Press Association gives us the same high rating that Fort Cherry yearbooks have been getting in the last few years, we can indeed be proud of our effort for many years to come.

Science and Math Clubs Enrich Student Interests

The Math Club and the Science Club are two clubs at Fort Cherry that are academically oriented and strive to enrich students' interests and knowledge in the Math and Science fields.

The Math Club, with sponsor Mr. Gaul and several enthusiastic members, has for the past few years provided our school with a number of activities and services. Each year a tutoring service consisting of qualified students is set up to aid students who have any difficulty with mathematics courses. The club has also helped to pay for the annual trip to the California State University Math Contest and made possible a math contest and a chess tournament among students in our school.

The Science Club, with Mr. Lauff as the sponsor, has also provided F.C. students with many activities. Each year the club tries to bring speakers to our school from different industries or universities to try to give students some insight into the practical uses of science or the fields of science education. The club also has planned field trips concerning the various areas of the science field.

Student Councils Promote Harmony Throughout School

Officers: Treasurer — Madeline McGivern; President — Ken Allison; Vice-President — Nancy Lauff; Secretary — V.A. Mattaliano.

The Sr. High Student Council operated under a new sponsor this year, Mr. Filosi. The Council, which met once a month in the Guidance Office, consisted of four officers elected by the student body and fifteen homeroom representatives.

The purpose of this organization is to promote harmonious relations throughout the school, to improve student-teacher relationships, to provide a council for student expression, to provide orderly direction of school activities, and to promote the general welfare of the school.

Some of the activities sponsored by the Student Council this year were the annual Homecoming Ceremonies, Sr. High Button Day, an M&M Guess Contest, A Winter Dance, and the decorating of a live tree in the office lobby during the holiday season.

The first Jr. High Student Council was formed in 1976 by Mr. Hughey. In 1977 the organization was turned over to the present sponsor, Mr. Menzies. The main concern of the Jr. High Student Council is to direct and promote activities for the Jr. High Student Body.

Some of the past activities held by the Council were dances, an activity night, and the selling of candy sticks to the faculty and student body.

The 1978-79 Spanish Club and French Club are two of the largest clubs the Fort has ever had.

At the time of this printing, the clubs had not yet had a chance to meet, but the sponsors, Mrs. Arbore (Spanish) and Mrs. Allison (French), had a planned agenda for their clubs.

The agenda of the Spanish club consisted of many new and exciting ideas. The club had plans for a pinata party, a taco party, a skating party, and a field trip. In the past, they have visited places such as Spain and Africa.

The agenda of the French club also consisted of many fun-filled ideas. They had plans to see French movies and maybe make visits to French restaurants. In the past they have visited places such as Montreal and Quebec City.

In order to join either club, students must have the language as a class or must have completed one full year of that language.

Business Club Sponsors Xmas Activities

F.N.A. Raises \$439.66 for TB Drive

Directly involved with the future careers of the students, the Business Club and Future Nurses Association are two very active and important clubs at Fort Cherry.

The Business Club is composed of fifty members, and two thirds are Seniors. In order to prepare students for careers in business, the club invites speakers from various business associations to talk with the members and inform them of colleges and job opportunities available in the business field. This year the club sponsored a Christmas Door Decorating Contest for both the Jr. and Sr. High and a Christmas Party for the faculty in the Home Ec Suite.

The FNA was organized for students who want to enter the medical profession. Besides helping students interested in nursing, this organization also assists those interested in medical technology, medical assistance, the pharmaceutical field, etc. As members of the FNA, students must be serious minded and be willing to assist in the nurse's office during their free periods. Each year the Club sponsors an annual TB drive and award prizes to the homerooms contributing the most money. This year the sum of \$439.66 was collected.

The 1978-79 Drill Team has brought much color and cheerfulness to our pep assemblies and to the parades in which our band participates.

Summer practices for this group started in June and lasted until early September. Sponsored by Miss Keller, the organization purchased new uniforms this year and sent three members, Christi Phillips, Shelley Moreau, and Diane McConaghy to a summer camp at Duquesne University. The girls brought home new routines and several award ribbons.

Once school starts, these girls must continue to practice after school in order to prepare for pep assemblies and the football games. In 1978, the group marched in the Kennywood parade and in the McDonald Christmas Parade.

Weightlifting Club Develops Mind and Body

Pep Club Gives Support to F.C. Sports

Many Fort Cherry students are spending their activity periods slowing their pulse rate, developing their hearts, and strengthening their muscular systems. They do this by belonging to one of Fort Cherry's largest and most active clubs, which meets every activity period throughout the school year.

Membership is divided into six weight classes and awards are given based on the members' proficiency in benching, sit-ups, and pull-ups.

The Varsity Club of Fort Cherry, sponsored by Mr. Loughman and Mr. Garry, has been very active during this school year. Their annual fund-raising campaign takes place in early October, and this year they raised money for their varsity jackets by selling candy. Measuring for the jackets occurs after the students have lettered in their sport. The club sponsors usually measure for the jackets once in the fall and once in the spring. No one at Fort Cherry gets a jacket awarded unless it is deserved and earned.

There are three qualifications for membership: students must be at least Juniors, must have played a varsity sport for two years and must have lettered one of those years.

With forty-three members, the 1978-79 edition of the Fort Cherry Marching Band practiced faithfully to perform proudly at pep assemblies, at football halftime shows, in Kennywood's Fall Fantasy Parade, and in McDonald's Christmas Parade. Though they performed well, to some spectators the small size of the band seemed to be a hindrance to the quality of the performance. Trying to please the crowd by enlarging the band, the Fort Cherry School Board, in October of 1978, decided that the 7th and 8th grade instrumental students should be a part of the marching band next year. With this addition, the 1979-80 edition of the Fort Cherry Marching Band will perform with approximately sixty-five members, an increase of about twenty-two members. We hope that the increased size of the band will not interfere with the usual quality of the Fort Cherry sound.

Two relatively new clubs formed at the High School are the Bridge Club and the Rod and Gun Club.

The Bridge Club was formed in 1977 by Mr. Filosi. The game of Bridge, of course, is played for enjoyment; however, the main purpose of the club is to encourage students to think logically for themselves. In the spring, members competed among themselves in the annual Bridge Tournament.

In that same year, Mr. Antozeski organized the first Rod and Gun Club. The main purpose of this club is to teach the outdoor sportsman safety and the fundamentals of hunting, fishing, and trapping. Throughout the school year, the Rod and Gun Club also sponsored competitive activities such as the "Big Buck" and "Big Trout" contests.

Afro-American Culture Club Raises Money

Librarians Help New Librarian

The Afro-American Culture Club, sponsored by Miss Perkins and Mr. Edmonds, was organized to make Fort Cherry students aware of the cultural contributions of Black Americans. The club set two main goals for this year. They planned to raise money for the Sickle Cell Anemia Foundation and for the Afro-American Cultural Classroom in the University of Pittsburgh.

The club also went on two field trips. They saw the movie version of "The Wiz" and attended the Vennie Burrows "One Woman Show" for the African American Cultural Classroom in the University of Pittsburgh.

The Jr. and Sr. High Librarians were under the supervision of a new librarian this year, Mr. Schaffold. During free periods, these students were assigned to work in the library to help create a pleasant atmosphere for the entire faculty and student body. The librarians help check books in and out of the library, keep records of the students with overdue books, and place books and magazines in their proper positions on the shelves. Mr. Schaffold told us that these student librarians were extremely valuable to him this year, and we want to thank all of them for their appreciated contribution to Fort Cherry.

At the opening of Fort Cherry Jr.- Sr. High School in 1959 the Sr. High Chorus was known as the "Fort Cherry Chorus." The first director of the chorus was Edward Wood, and he was followed by Nancy Williams. In 1964, Mr. Tuma took over, and in his second year at the Fort he changed the name of the Sr. High Chorus to the "Range-Aires" in order to maintain the spirit of our school mascot the "Rangers." Several years later, with the expanding size of the chorus, the "Rangettes" (all girl chorus) was formed to accommodate the increasing number of students interested in chorus. Also, at this time the group known as the "Fort Cherry Modrigal Singers" was formed as an extra activity. The name is taken from a contraction of *Modern* and *Madrigal*, to form a word which would mean that the group would perform a variety of selections. The Junior High Choruses then became known as the Fortress Choruses. It was not until 1976 that a ninth grade chorus was scheduled, and named the Freshman Chorus. In 1977, an Eighth Grade Chorus Homeroom was established. In keeping up with the times, the Jr. and Sr. High Choruses have progressed from 100 members in 1965 to 205 members in 1979.

Two New Clubs: Hobby Club for Jr. High Social Studies Club for Sr. High

From time to time, new clubs are formed at our school to encompass or perhaps create student interest in certain areas of study or activity. The two new clubs this year are the Jr. High Hobby Club and the Sr. High Social Studies Club.

The Jr. High Hobby Club was formed under the supervision of Mr. Zeno and consists of approximately twenty-five members. The club gives each member a chance to discuss individual hobbies and past times which are usually done at home. Attracting many Jr. High students who are interested in crafts, the new club also gives these students a chance to display whatever they create.

The Senior High Social Studies Club was formed for students with interest in history. Once a month, Mr. Sprowls and his newly organized club meet in the library to emphasize historical happenings and to encourage students to participate in the various activities that historical associations make available to them.

Jr. High FHA Makes Pillows and Purses

Chess Club Has Tournament

The Jr. High FHA, sponsored by Mrs. DiAntonio, consisted of only twelve members this year. The club's main purpose is to give the students who are interested in Home Economics a chance to advance in that field. Since the club is small, it will give Mrs. DiAntonio an opportunity to help each student individually. Some of the projects this year included the making of purses and pillows.

The F.C. Majorette squad has been a part of the Marching Band since the beginning of the school district. The squad originally consisted of nine members; however, since then, the squad has been enlarged to fourteen girls including the Head and Drum Majorettes and the two alternates who carry the banner. The majorettes, along with the marching band devoted a lot of time and effort throughout the year by performing at football games, pep assemblies, concerts, and parades.

The past summer, eight of the members attended a Majorette Camp at Duquesne University. They were instructed by various college majorettes. The girls were amazed by the new and difficult techniques that were taught to them.

FACULTY

Mr. Jack N. Schwartz — Superintendent

The Class of 1979 ends two decades of education at the Fort. A magnificent edifice and campus rests on a hill that was seventy-two acres of pasture land before 1959. Many changes in educational trends have occurred and approximately 3200 students have graduated during the last twenty years. Your class marks the end of this era.

The faculty and administration wish for you continued success and hope that you remember your class is a unique class — our twentieth year class.

Jack N. Schwartz

Mr. Schwartz Retires

In 1979, after thirty-seven years in education, our superintendent, Mr. Jack N. Schwartz, resigned.

A graduate of Charleroi High School, Mr. Schwartz earned his B.S. Degree from California State College in 1941 and his M. Ed. Degree from the University of Pittsburgh in 1948. After working five years as a Latin and English teacher and as Head Basketball Coach at Ellworth High School, he served three years in the Armed Forces during World War II. From 1950 to 1959, he was the Supervising Principal of the Midway School District, and in 1959, the year that the F.C. jointure was formed, he became the first principal of Fort Cherry High School. Mr. Schwartz was appointed superintendent of our district in 1964.

In his letter of resignation, Mr. Schwartz stated, "I am personally very reluctant to take this step, as the Fort Cherry School District and before that the Midway School District have been my life. Since I have had a heart attack, the condition of my health dictates that I do not subject myself to the tensions and stresses of the superintendency."

The faculty, the administration, and the student body extend their best wishes to Mr. Schwartz for a long and enjoyable retirement.

Retiring This

They Care for the Buildings, Grounds, Shrubbery, Food . . .

The Teacher-Aides:

1. Mrs. Betty Thomassy.
2. Mrs. Nellie Donati.
3. Mrs. Elizabeth Masquelier.
4. Mrs. Jean Spencer.
5. Mrs. Lynn Jamison.

6. Dependability and punctuality describe our bus drivers: Charlene Toward, Eileen Shaffer, John Bish, Beverly Schwab, Peg Harriot.

7. The men who work hard to make F.C. look decent: Bill Nourgait, Norm Cogniet, Bill Bish.

8. The hard workers in the cafeteria: Row 1: Bernice Gilbert, Gloria Femovich, Thelma Doumont, Lou Williamson. Row 2: Mary Lou Piazza, Barbara Gallo, Lois Yenke.

9. Mr. Paul Brannan who has worked at F.C. for five years is retiring this year. He came to Fort Cherry after retiring from Universal Cyclops Steel Corporation where he was supervisor of quality control. Mr. Brannan plans to catch up on jobs around the house and to keep in touch with the friends he has made at the Fort.

10. Mr. Howard Sheller, who has worked on the school buses as a mechanic for Cowden's Garage, retired in November after 37 years of service. Prior to this he had been employed by Aloe Coal Company. In his spare time he enjoys hunting and fishing.

11. Mrs. Myrtle Kelso, the cafeteria supervisor, is retiring this year. She has been here since the opening of Fort Cherry as a jointure. Although she has always liked her job, she is very eager to retire because she plans to do volunteer work and travel.

We wish all of them the best of luck and a happy retirement.

Robert Alan Drugmand
1963 — 1978

We picture death as coming to destroy; let us rather picture Christ as coming to save. We think of death as ending; let us rather think of life as beginning, and that more abundantly. We think of losing; let us think of gaining. We think of parting, let us think of meeting. We think of going away; let us think of arriving. And as the voice of death whispers "You must go from earth," let us hear the voice of Christ saying, "You are but coming to Me."

N. Macleod

Bob was born on April 1, 1963, in Mt. Lebanon. He attended the Upper St. Clair Schools for five years, and then entered the Fort Cherry School District, spending one year at the Hickory Elementary School and three years at the high school. While at Fort Cherry, Bob achieved highest honor.

Bob's hobbies included horseback riding and collecting Matchbox and Antique cars. He also spent his time playing the trumpet and the piano.

Bob's goal in life was to become a Chiropractor and eventually an associate with his father. However, his dream was never fulfilled. On October 4, 1978, at the age of 15, Bob died of leukemia.

The students of Fort Cherry collected \$65, which was presented to the Leukemia Society in Bob's name.

SENIOR OFFICERS OF 1960

This page: the officers of the first graduating class — the class of 1960; students preparing for their senior pictures; composite of the class of 1977 in room 265. (The composite pictures of graduating classes decorating rooms 264 and 265 represent a new tradition at Fort Cherry. Started two years ago, we hope that this tradition will continue so that every classroom will eventually have one of these composite pictures as part of its decor.

MOTTO

For all the crazy times, sad times
Times of laughter, times of work
Silly sentimental times we've shared
I celebrate you, my friends
For we may not have tomorrow to enjoy together
But we have many yesterdays to remember.

Scott Michael Koraido

Scott Koraido Receives Dr. Hughey Award

This year, Scott Koraido has been chosen to receive the Dr. Charles M. Hughey Award. Scott was chosen on the basis of his leadership, high moral standards, athletic ability, and scholastic achievement. Scott has been active in many activities in school. He was president of the Science Club and Social Studies Club, and treasurer of the Bridge Club, all in his Senior year. Scott has participated in football, where he has lettered his Junior and Senior years, and baseball, where he lettered his Sophomore, Junior, and Senior Year. He has also been a member of the Ranger Band, Varsity Club, Rod and Gun Club, Drama Club, French Club, Student Council, Senior Announcement Committee, Stage Band, Intramurals and the National Honor Society. We of the Panorama Staff join in congratulating him and wishing him the best of luck in the future.

Sue Moran Wins Three Awards

Susan Teresa Moran

The 1979 Senior Class of Fort Cherry chose Susan Moran to receive both the Daughters of American Revolution Award and the American Legion Auxiliary Award. The class based their votes on such criteria as character, dependability, service, patriotism, scholarship, and moral courage. Sue has participated in many activities such as Spanish Club, Chorus, Drama Club, Math Club, Pep Club, Social Studies Club, Panorama Staff, and Intramurals. She was treasurer of the FNA in her Junior year, president of the YEA in her Senior year, and chairman of the Senior magazine sales. She is also a member of the National Honor Society and the International Thespians Society.

Susan will also receive the Bausch and Lomb Science Award which is given each year to the best science student. We all join in congratulating Susan and wishing her the best of luck in her future.

This page: Jodie Lukan, Tammy Williams, Kathy Pascoe, and Karen Willis are our four Senior cheerleaders; Kurt Bedillion makes a spectacular catch; The cafeteria as it looked in 1959; Belinda Eger and Dave Narigon share a laugh.

This page: Dave Weber takes a shot; a serious moment for Lori Slates; Mike Lucarini and Joe Rehak wander through the halls; Madeline McGivern, Terrie White, Frank White, and Nancy Lauff help to guide parents during Open House; Mr. Garry and Mr. Tokar concentrate on the team's strategy.

CLOSING

Fort Cherry's twentieth year has come to a close. Helped by our parents, our teachers, and our administrators, we have successfully completed another 180 day cycle. As we look back on our year, we can readily see that it compares favorably with the previous ones. We are proud to report that we have up-held all of the Fort Cherry traditions and perhaps even broken ground on new ones.

First of all, we have maintained our standards in the classroom. The school has offered most of the necessary courses needed for our future, and we have responded not only by enrolling in them but also by learning the content. Those of us who have done the work with motivation and diligence are now surely ready for the more demanding pursuits ahead of us: be it college, work, or merely coping with the everyday problems of the adult world.

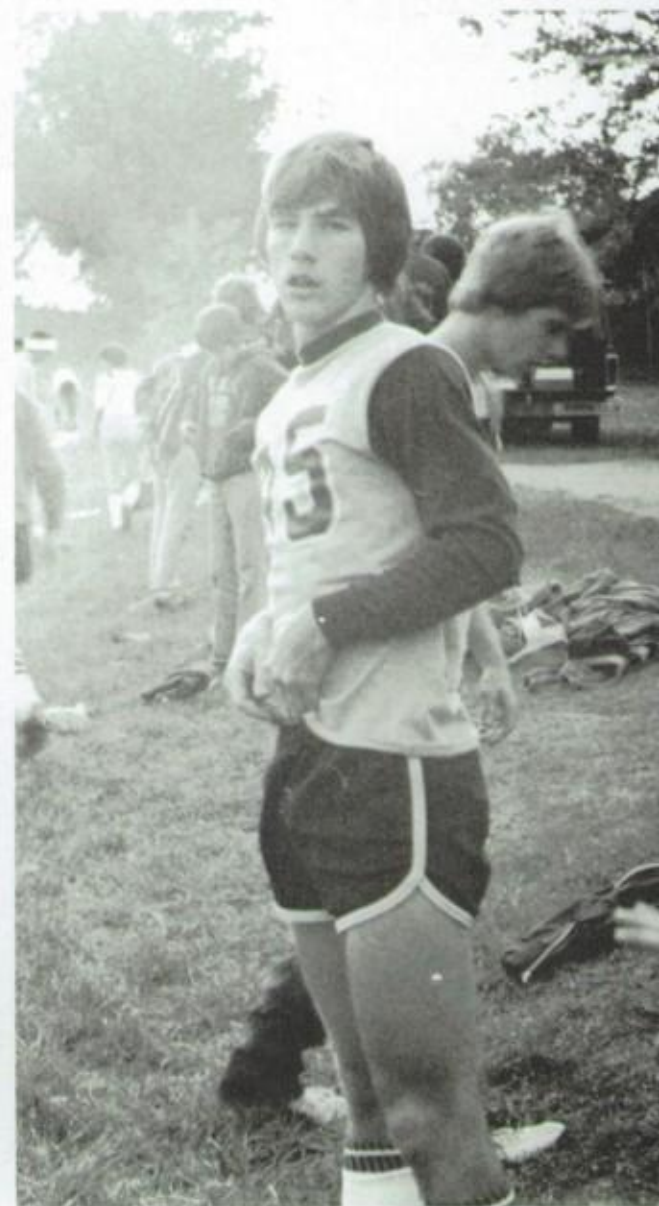

Opposite page: Top Left — Mike Devos, Dave Stopenki, and Jay Ferris practice their new music. Top Right — Advanced Physics students concentrate on their experiment. Bottom — Mr. Edmonds helps Dodie Clark and Kim Schmidt plan their future. This page: Top Left — Mrs. Petousis helps Kelly Meehan mix paint. Top Right — Terrie White and Dave Narigon work on a Pinnacle layout. Above — Mike Irwin and Dave Weber display their talents. Bottom Left — Video Staff hard at work.

The activities offered at Fort Cherry are numerous and varied, and most of us responded by participating in them either as leaders or as followers. We performed in the class plays; we attended the prom; we joined the clubs; we participated in the intramural programs. As cheerleaders, majorettes, and drill team members we entered competitions and performed at pep assemblies and at games. We also played in the band, sang in the chorus, and produced this yearbook.

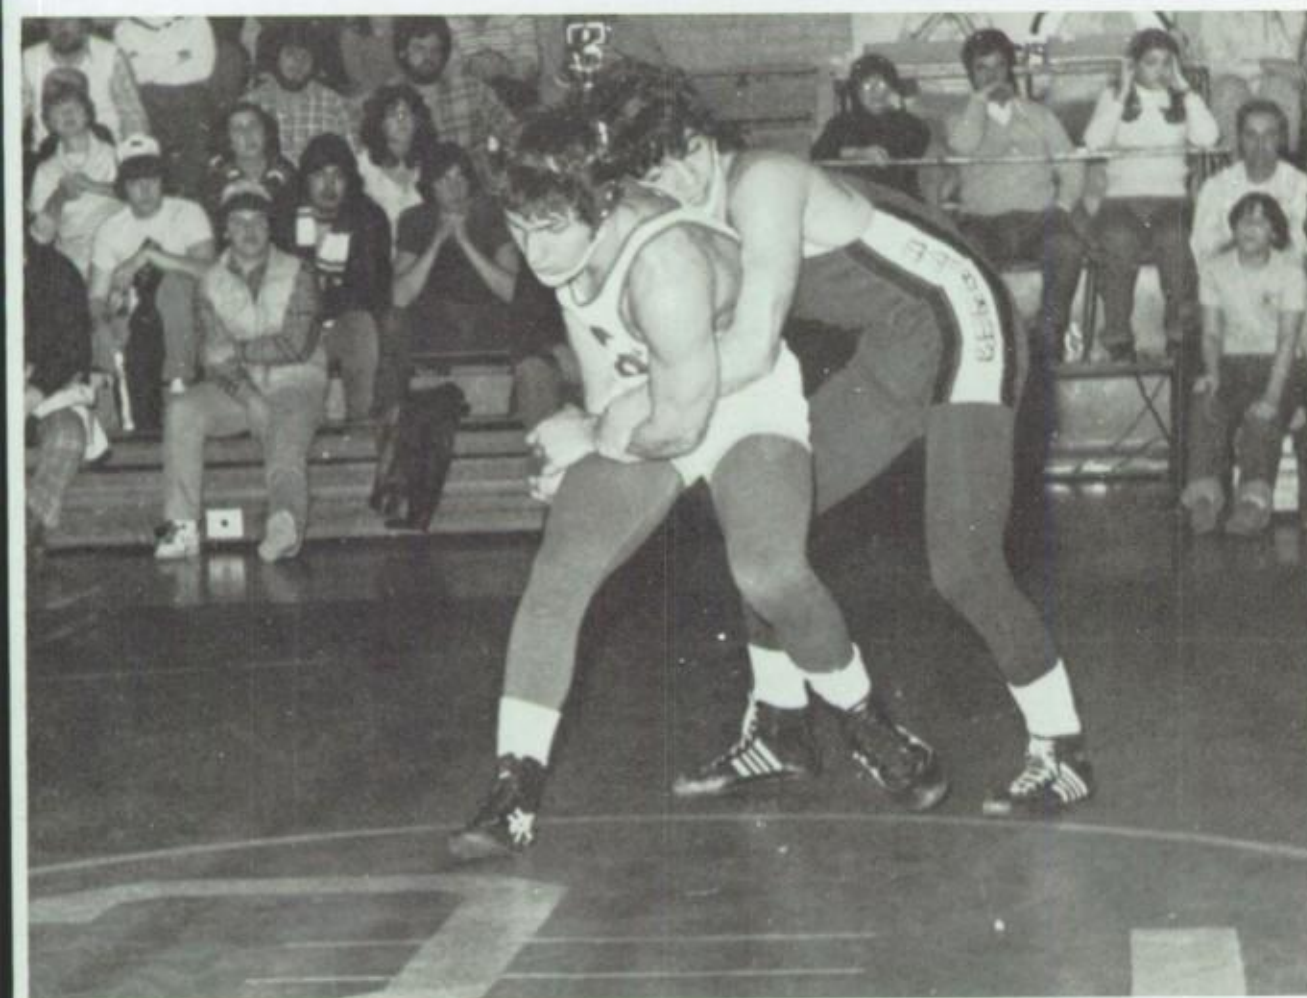

This page: Above — Sr. High homerooms compete in the Christmas Door Decorating Contest. Top Right — Band members fear the rain. Bottom Left — Carolyn Geisler serves Mrs. DiAntonio a piece of cake. Opposite page: Top Left — Belinda Eger and Dave Narigon choose yearbook pictures. Middle Left — Sr. homeroom representatives count candy money. Middle — Kathy Pascoe takes pride in the Alma Mater. Middle Right — Shelley Moreau concentrates on her routine for the pep assembly. Bottom Left — Paul Panizza was chosen for District Chorus. Bottom Middle — Lori Fulmer was chosen for District Band and the Mid-East Symphony of Winds. Bottom Right — Cathy Nishnick and Kenny Alrutz pose with their awards won in the State FFA Project Book Evaluation.

Our athletes, as always, performed in an above average manner. A quick glance at the record shows that our cross country team, our golf team, our football team, and our wrestling team (to name a few) gave us winning seasons. Also, this is definitely the year that our female athletes have begun to match their male counterparts in the Fort Cherry tradition. The girls, we are sure, worked just as hard as the boys. As the song says, "good things will come to those who work and wait."

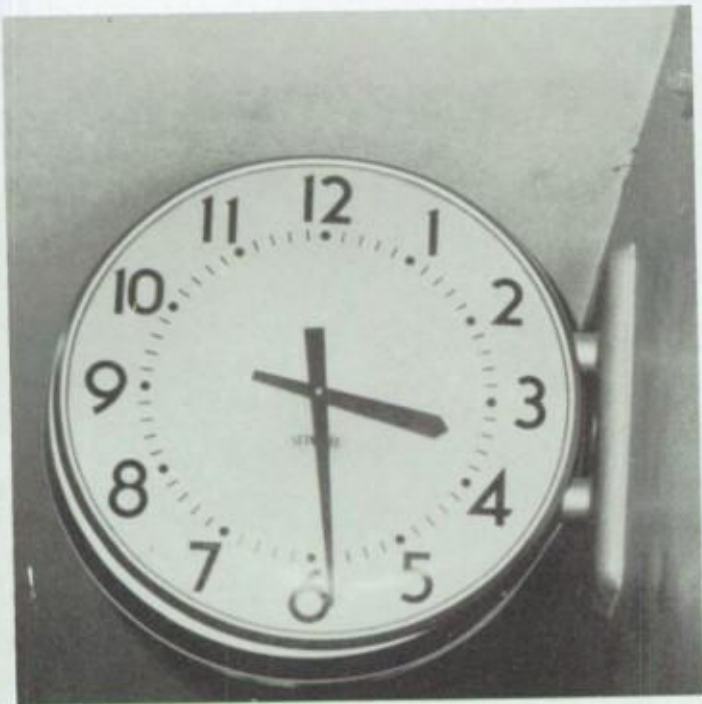

Opposite page: Top — Jim Carlisle enjoys a victory party in spite of his injury. Top Middle — Jamie Fischer and Rosie McLaughlin play the sport of volleyball well. Top Right — Chris Hoag shoots for two. Bottom Left — Diane Dumaret is surprised by her opponents' quick return. Bottom Right — Brian Brown prepares for a meet. This page: Top Left — Regis Curtis stretches his legs. Top Right — Our football players stop their opponent. Bottom — Mark Sember uses his brains on the mats.

Finally, we, too, can now look back at our final year just as our predecessors looked back at theirs and be proud. We can be proud not only of our scholastic achievements, of our activities, and of our sports but also of the many friendships that we were able to make. Let us not forget that Fort Cherry, as all schools should be, is a friendly place where in the process of attending school we also developed lasting friendships among ourselves and among the faculty.

This page: Top Left — Mike Irwin and Frank White display the T-shirt awarded to Seniors who sold twelve magazine subscriptions. Top Right — Tammy Blanchard, Dora Stanish, Tracey Dire, and Cheryl Semenick have fun in the hall; Right — Diane Klimas and Lori Fulmer prepare band uniforms for fitting. Opposite page: Top — Lisa Ruschell smiles on Senior night. Middle Left — One more minute until school is out. Middle Right — Students who marched in the Christmas Parade are rewarded with klondikes. Bottom Left — A sentimental thought. Bottom Right — Bill Bish, Scott Koraido, Mr. Sprowls, and Mr. Pawloski enjoy a friendly moment.

Twenty years from now some of us will probably be the parents of some of the Seniors in Fort Cherry's fortieth graduating class. Those of us who did our duty as sons and daughters will probably be just as successful in doing our duty as future parents. At this point, as we say our last farewell, we are sure that the pride and the fond memories that we hold from our past will also serve as an inspiration for our tomorrows.

Before a man becomes a Marine recruit, we make sure he's the kind of man *we want* to train: a high school graduate with brains as well as brawn, integrity as well as intelligence. After boot camp, the good man that went in . . . comes out even better. Because he's earned what we think is the proudest title in the world.

A United States Marine.
